### Reports –

- **Transport Troy** (Pam) – On-street bikeway consisting of bicycle lanes, shared lanes, and cycle tracks, is complete save for an est. ½-mile gap. Collar City Ramble (9/22) will feature kayak rides, walks, and bicycle rides on the new bikeway. Troy moving ahead!
- **CDTA/BikeShare** – Usage increased over 2017 with 4,500 members and 350 bicycles. Bicycle stands are “everywhere!” BikeShare has tremendous first-time-ever data on ride routes, duration, pickup and drop-off points, etc. Will be invaluable in future planning of the City of Albany’s bicycle network. “How-to” classes held for new share members.
- **Treasurer’s Report** (David P.) – Report rendered. Working on NYS tax-exempt certificate.

### Old Business

- **Trails Plan** – CDTC draft trails plan due this summer. Public meeting in September.
- **Freeman Road Project** – Town of Glenville project to add medians, bicycle lanes, sidewalks, and turn lanes on 1.5 miles of this busy, mixed-use road.
- **Wheels to Waterford History Ride** – Sun, 8/5/18, 9:30 AM (Glenn, Lorenz) – Need road guides, sweep(s), etc. Several members signed up to help.
- **MHBHT Roots** (David P.) – Not done yet. Will continue follow up. Noted that some repairs may be planned or done in the Cohoes section.
- **Washington Ave. Fuller Rd. Flyover** – Hugh and Lorenz will suggest dates for a needed site visit.
- **6-Mile Signage** (Glenn, Lorenz) – Waiting installation.
- **Annual Renewable Energy and Sustainable Living Fair** – (Ed, Rob) Sat, 10/20, 10 – 4, Doane Stuart, 199 Washington Ave, Rensselaer. ABC registered for a booth. Contact Ed or Rob to volunteer.
- **BikeAlbanyMap** – Does CDPHP Cycle! BikeShare link to it? Lorenz to follow up.
- **Bethlehem Magical History Bicycle Tour** – See info below. ABC to benefit from fund raising. Ride marshals needed. Contact John at 518-225-4209, [hardworkinjohn@aol.com](mailto:hardworkinjohn@aol.com)

### New Business –

- **August Meeting** – None.
- **Transportation Subcommittee** (Lorenz) – Kick off/re-start meeting held. Many possible projects. Contact Sandy Misiewicz, [smisiewicz@cdtcmpo.org](mailto:smisiewicz@cdtcmpo.org). Info - <https://www.albanyny.gov/Government/Departments/SustainableCommunities/SAC.aspx>
- **Erie Canalway Trail Finish Line** (Pam, Brent, Lorenz) – 20<sup>th</sup> Anniversary ride led by PTNY. 650 riders (the youngest featured on ABC’s website) from 47 states and 5 countries. Great finish line event.
- **New Bike Lanes in Guilderland** – Western Ave. between the UA and Crossgates Mall. Not sure of end point. Next desired step – connect the new bicycle lanes in Guilderland with the new lanes on Madison Ave. Western Ave. is a too-wide, interurban-style road with little parking, a gap between the design and posted speeds, and relatively few traffic conflict points. Would be the area’s major bicycle route.

- **Capital Region Complete Streets** – Committee reactivated with plans to seek dedicated funding for complete streets projects with an emphasis on Albany's bicycle network and pedestrian accommodations.
